U. S. SIGNAL CORPS IN HUNT FOR VILLA

Signal corps squad operating field observation tower in Mexico.

Three Japanese steamship concerns—Toyo Kisen Kaisha, Nippon Yusen and Osaka Shosen Kaisha—have put into effect, from April 1, an increase of about 20 percent in freight rates on unsubsidized American lines. Authorities have been considering applications for permission to increase rates on subsidized lines.

General Carranza has decreed that in reorganization of Mexico's financial issue of paper money shall be limited to 500,000,000 pesos, with an equivalent of \$250,000,000 American gold. This will provide currency circulation of about \$17 gold per capita.

35 vessels were registered under American flag last week. These include 12 sloop yachts of 22 gross tons each, built this year, and 6875 gross ton steamer Los Angeles.

FRECKLES

Don't Hide Them With a Veil; Remove them with the Othine Prescription.

This prescription for the removal of freckles was written by a prominent physician and is usually successful in removing freckles and giving a clear, beautiful complexion that it is sold by any druggist under a guarantee to refund the money if it fails. Don't hide your freckles under a veil; get an ounce of othine and remove them. Even the first few applications should show a wonderful improvement some of the lighter freckles vanishing entirely. Be sure to ask the druggist for the double strength othine; it is this that is sold on the money-back guarantee. (Advertisement.)

GAS For Cooking and Heating

In addition to being an ideal fuel for cooking, Gas can be used as advantageously for heating water. With a little gas room heater you can quickly make any room of the house warm and cozy. Ideal for quick morning and evening service in the bath and bed room. Takes little space and can easily be carried from room to room. We are in a position to demonstrate at our store the different gas appliances for cooking—water heating and room heating.
